All,

Prior to finalizing the Bike Share RFP, I want to:

1. Make sure the RFP addresses all of COB's outstanding issues.
2. Make sure all of us at COB are up to date and comfortable with the process and timeline.

All of you should have received an email and invitation to read the RFP. Please let me know if you still do not have a copy.

Please let me know if you feel there is anyone else that should be at this meeting.

Many thanks.

hope you are healing? was in for a three hour arbitration yesterday. planned to say hello but kathy was too hungry. if the city wins, and they should given the quality of the star witness, it will save lisa 300k. do you think that is enough to get jay in the union?

i need help on this one. you and he were good to me during a good size bump in the road. he is a friend and a good kid. this is not a big cost. 0 cost to the city. it gives him and his family a little security.

at some point i will send the mayor a letter. i don't want to lose him as a friend.

Hi, Michael:

I hope the first days of the New Year are treating you well. I know that work life can't be much crazier with the economy and tonight's speech. Good luck. Our prayers are with you and Mayor Menino.

I am writing to let you know I am expanding the scope of the writing work I have been doing as a consultant. Police and criminal justice remain close to my heart but I am also looking to be of service in more general ways in the government and non-profit sectors as a writer, program designer and facilitator. I have taken the liberty of attaching a little CV I put together in that regard.

Please let me know if you see any opportunities for me to be of use.

All the best!  
Thanks,

Jim
